Buckhead Heritage to host inaugural fundraiser, Party in the Pasture

The Buckhead Heritage Society will host its inaugural fundraiser, Party in the Pasture, on Saturday, October 23rd, from 4:00 p.m. to 8:00 p.m. at a private field off Northside Drive. Admission is \$25 for individuals 12 and older; \$10 for children ages 3 to 12; and free for children under 3. Family packages are also available. The event is being generously presented by Paces Construction Company.

The Party in the Pasture will invite guests to step back in time and experience the rural roots of the Buckhead community. The family-friendly event will feature barbecue from One Star Ranch, bluegrass music by local band Strung Jury, and demonstrations that illustrate how people lived life in Buckhead around the turn of the century. A blacksmith and a woodworker are just two of the artisans that attendees will meet at the event. The Party in the Pasture will also feature a beekeeper demonstration, a hayride, pumpkin painting, and a jumpy castle and slide for kids.

“Our inaugural Party in the Pasture promises to be an evening of old fashioned fun,” said Erica Danylchak, Executive Director of the Buckhead Heritage Society. “The Party will also have a longer lasting positive impact on our community. Proceeds from the event will support our Oral History Project, our educational programming and our advocacy efforts in the coming months.”

Tickets are available for purchase through October 18th on the Buckhead Heritage Society's website, www.buckheadheritage.com/events.

The Buckhead Heritage Society is a 501(c)(3) non-profit organization that was founded in 2006 by a group of Buckhead residents who recognized the need for an advocacy organization to protect Buckhead's significant historic resources. Through its Oral History Project, Landowner Technical Assistance Program, advocacy efforts, and educational programming, Buckhead Heritage works to raise awareness of the community's unique history and promote the preservation of its irreplaceable historic resources.
